

Thursday, 4 August 2016 – Issue: 10/2016

Reminder – Return eligible Envirodrum containers by 31 October 2016 to receive deposit refunds

NUFARM AND CROP CARE
ENVIRODRUM CONTAINER DEPOSIT QUALITY CHECKLIST

- 110 litre Envirodrum containers with an outstanding deposit to be returned must have either a Nufarm or Crop Care label on them or should be easily identified as belonging to Nufarm/Crop Care.
- The Envirodrum container must be in a useable state.
- The unit must have a stainless steel fitting and have a tamper evident seal still in place.
- The Envirodrum must not have the message 'NO DEPOSIT RETURN VIA SCHUTZ' printed on the top.
- Any containers manufactured by Schutz with a plastic fitting are not eligible for a deposit refund.
- All returns must be received by October 31 2016.

Late in 2015 we communicated changes to how our Envirodrum containers are managed.

From 1 January 2016, Nufarm and Crop Care stopped charging drum deposits on 110 litre Envirodrum containers.

If you have paid deposits on Envirodrums you will be eligible for reimbursement, provided conditions are met and that containers are received by **31 October 2016**.

Note this is only applicable to Nufarm and Crop Care drums. If you have drums on farm that have a deposit on them but won't get used before the cut off, speak to your local North West Ag store so we can work something out.

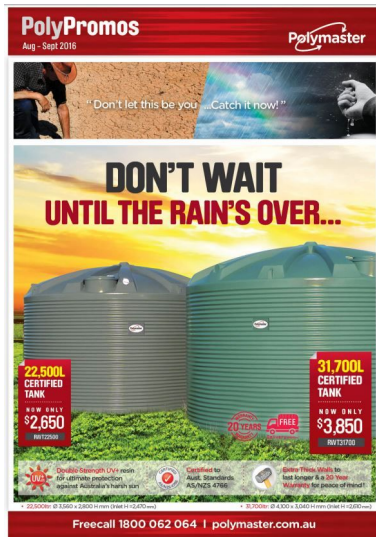

And the winners are.....

Congratulations to the following winners of a patio heater in the Pedigree pet food promotion:

Beulah - Shayne Riggall
Boort - Neil Gardener
Charlton - John Cossar
Hopetoun - Pat Hallam
Nullawil - Pelican Hogan

Zoetis - Supporting Mental Health in Rural Australia

Zoetis are working with Beyond Blue to help raise money and awareness for mental health. North West Ag Services are happy to support this initiative of Zoetis.

For every Zoetis sheep or cattle vaccine or parasiticide sold between 1st August and 30th October 2016, Zoetis will donate \$5 - up to \$100,000.00 to Beyond Blue.

Head to their website to find out more
