## Have you protected your stock?

Wet and warm conditions are conducive to an outbreak of fly strike.

Products you need to consider are:

### Clik & Clikzin

Clik & Clikzin Spray-On are registered for the protection of sheep, either off-shears or with any length wool, against fly strike. It is also registered for the protection of mulesing and marking wounds on sheep against flystrike during the wound healing process.

### Avenge

Avenge controls susceptible body lice (*Bovicola ovis*) on shorn sheep up to 7 days off shears and unshorn lambs up to 2 months of age. Avenge is also registered for fly protection for up to 12 weeks.

### Vetrazin

Vetrazin™ a convenient, ready to use formulation, registered for the protection of long wool sheep against blowfly strike. 25L unit protects long wool sheep for up to 11 weeks, 7L unit protects long wool sheep for up to 14 weeks when applied by jetting or dipping.

### Extinosad Eliminator

Extinosad™ Eliminator prevents flystrike for four to six weeks and provides rapid knockdown control of lice and maggots on sheep with short and long wool.

### Coopers Blowfly & Lice

For the treatment of, and protection against, blowfly strike on sheep for up to 12 weeks under low to moderate fly pressure and treatment of biting lice by jetting in long woolled sheep.

### Strike Force S

For up to 18 -24 weeks protection against blowfly strike, whilst having 14 day meat WHP and an ESI of 35 days.

Ensure you check withholding periods.

Talk to your local North West Ag store to help you make the right decision.

## Hyti Grain Bags

North West Ag are the sole Mallee distributor of Hyti Grain Bags.

The Hyti grain bag from Hyplast NV Belgium, consists of a triple layered true 350 micron plastic with an ultra violet additive (3%) to cope with Australia's harsh conditions, successfully used throughout our region for many years. European manufactured to strict ISO9001 and ATSM standards, the Hyti grain bag suits every machine and application, and is available in 60m, 75m and 100m bags.

If you are looking for a short term storage solution to round off your harvest or complement your grain management, then contact your nearest North West Ag store to discuss your requirements.
