CopRice Sheep Optimiser

CopRice Sheep Optimiser pellets are a highly digestible energy source specifically formulated to balance the nutritional requirements of all classes of sheep in all grazing situations.

- ✓ Ideal for managing body condition score in ewes or maximising weight gains in lambs grazing protein-rich pastures
- ✓ Highly digestible source of energy (12.8 MJ/kg) and protein (13%)
- ✓ Buffers for improved rumen function and reduced digestive disorders
- ✓ Balanced source of essential vitamins and minerals for optimal health and performance
- ✓ Consistent and convenient pelletised form

CopRice Lamb Finisher

CopRice Lamb Finisher Pellets are a high quality complete ration specifically formulated for finishing lambs grazing declining pastures or in lotfeeding situations.

- ✓ Highly digestible protein (16%) and energy (12 MJ/kg)
- ✓ Essential vitamins and minerals for optimal lean tissue deposition
- ✓ Includes additives to reduce risk of acidosis, urinary calculi and coccidiosis
- ✓ Consistent and convenient pelletised form
